Winner of the 4<sup>th</sup> round of DD cards of the season was Jennifer Juniper or Jenny from the Hood, Dewacker. She doesn't like Dunkin Donuts so let's make her ineligible for the rest of the season. Just kidding ... but it does sound like a delicious idea! OK, so here's how we'll work the DD or Lottery Card thingy for the rest of the season. No one can win 2 weeks in a row. The winner(s) will have a choice of either the DD card or a Lottery Card ... but to be eligible for the Lottery Ticket you must be 18 or older. If we have most of the 17 Jersey Girls in attendance then we will give away 2 cards.

The first week of the regular season is now in the Books. I can see things starting to emerge in a way that is somewhat different from the prior 8 years. Remember that you cannot make up a missed week. All Banked Scores must be completed before the date they are to be used. And one final note on Banking. You cannot use a Banked Score on the last day of the season which is December 23<sup>rd</sup>. AND ... on that date we'll have a Pizza Party and will award several trophies. Last year you all seemed to like the Yeti Mugs that were engraved by Richie Zarrillo. We'll do them again this year.

Two of our Jersey Girls were absent today due to illness. Anya Kanodia has a bad case of Plantar Fasciitis and Taylor Dickerson was laid up with a fever of 104! Yikes. Both of you get better for next week.

3 Jersey Girls took the day off to watch our own Jersey Girl Marissa Scalzo do some fancy horseback riding over there in Lahaska, Pennsylvania. She was shooting her Horse Bow. I saw a video of same and was impressed as were Rose Arias, Clara Sorensen and Betsy Rosenzweig plus Rose's little friend.
