Nikki Stanio (mom) and daughter Lyla are all smiles after winning in the Recurve Class for Closest to the "X".

Jersey Girls ... Our 10th season is now under way. To start off we have the most members since our inception at 18! Yahoo. Here are the first week's members who won the Dunkin Donuts Cards ...

After our second week of shooting on September 21st, we'll have an average established and will almost be ready to start the competition phase of the Jersey Girls .

Congratulations to both Nikki Stanio and Tania Gomes who won the DD Cards this initial week.

Also new to the Jersey Girls is Tania Gomes who won the DD Card in the Compound Class for closest to the "X".

REMEMBER, that we will start promptly at 11 am next Saturday (September 21st), as all the first week events are now completed. Please be here by 10:30am if possible.

Now that we have 18 members, the number of wins per game will increase to 9. So if you are among the top 9 scores in either or both games you'll win a point. To get a BONUS point you have to be present ... if you are using a BANKED SCORE you do not receive the BONUS. The BONUS is strictly to get you all to attend to as many games as possible. Last season Vyashika Mohan had perfect attendance and received 12 extra points.

That's all she wrote ... see ya later alligator!
