Winner of the 8th round of DD cards of the season was Sachi Keane (left) for the Compound Shooters and Clara Sorensen for the Recurve/Genesis group. Sachi choose the DD card while Clara chose well with the \$200,000 NJ Lottery Card.

We had our first scratch 300 score of the season this week and it was from Sachi Keane who shot a perfect 150 for each game. Congratulations Sachi.

There is still a Log Jam at the top of the League and that's what makes this so exciting. Jennifer Juniper is having the time of her archery life as is shown by her #1 standing. She's been around since the beginning of the Jersey Girls some 8 years ago, so it great to see her becoming a threat to win it all. She just needs to stay ahead of Sachi and Marissa. Just checked the Records and no one has been a repeat champion of our League. Here are some of the League Champs from the past ... Kat Fedosh (2015), Tiffany Reed (2016), Brandi Granett (2017), Kristina Kaye (2017 Summer League of 6 weeks), Ivett Benkovics (2018), and Marissa Scalzo (2022).

Don't forget that we'll be shooting on November 25th, which is 2 days after Thanksgiving. If you don't have a Banked Score, then you have the next 2 weeks to do one. If you decide not to shoot on the Thanksgiving weekend, then your Banked Score can be used. Keep in mind that the last 2 years we have not had a lot of snow which was unusual. With that in mind be sure to have an extra Bank available. ALSO ... please remember that you cannot use a BANKED SCORE for the last week of the season which will be December 23rd, and our PIZZA PARTY and awarding of Trophies.

See ya later alligator ... that's all she wrote!
