Winner of the 9th round of DD cards of the season was Sachi Keane (left) for the Compound Shooters and Rosanna (Rose) Arias for the

Recurve/Genesis group. Sachi and Rose both chose wisely with the \$200,000 NJ Lottery Card. I had this Rule that an archer can't win 2 weeks in a row, but our attendance was so low today (only 7 of the 18 members!) that I ok'ed both Clara and Sachi to shoot (who both won last week) ... but at a much smaller target than the "X". If you look closely at the top right of Sachi's target you'll see a very small LOGO that I set as her target ... needless to say she hit it and won the Lottery Ticket.

Don't forget that we'll be shooting on November 25th, which is 2 days after Thanksgiving. If you don't have a Banked Score, then you have the next 2 weeks to do one. If you decide not to shoot on the Thanksgiving weekend, then your Banked Score can be used. Keep in mind that the last 2 years we have not had a lot of snow which was unusual. With that in mind be sure to have an extra Bank available. ALSO ... please remember that you cannot use a BANKED SCORE for the last week of the season which will be December 23rd, and our PIZZA PARTY and awarding of Trophies.

See ya later alligator ... that's all she wrote!
