*YELLOW = Maximum Score

Please call or text me if you cannot come, or if you will be late. **REMEMBER** that we start promptly at 11 am. Late comers will have to make up their missed "ends" after we take our 5-minute break, or after the completion of competition.

The Weekly Report of the Jersey Girls is now being published on our Waxobe Web Page at this location → <https://www.waxobe.com/jersey-girls-2023> Additionally Ken Lotkowitz has included all weeks from the 2023 & 2024 season. Psst ... this may be on the test next Saturday.

Winning this week's "Closest to the X" was Jennifer "Juniper" Dewacker for the compound shooters (on the left) and Nikki Stanio for the recurve shooters. We will continue to not allow the same shooter to win 2 weeks in a row ... this gives more of us a chance to win a Dunkin Donut card or a \$5 NJ Lottery ticket.

There were several mistakes on the Score Cards this week ... and the weird thing is that both cards had the same mistake. **PLEASE be sure you fill in every box on the Score Cards.** This will help you see any errors. AS of the beginning of the actual competition season (October 4th), if you enter Score Cards that are incomplete or have errors on them, I will not correct the errors and use your scores as submitted. In an outside this league regular competition, you would most likely have your scores submitted disqualified.

ALSO remember that if you miss a competition date and you do not have a BANKED SCORE you will receive a zero (0). Please make every effort to establish more than 1 Banked Score. Our schedule actually has a Bank Score date scheduled for September 27th, so everyone should have a Bank Score.

That's all she wrote ... see ya later alligator!
